Mental Health

California State Government supports equal opportunity to all regardless of race, color, creed, national origin, ancestry, sex, marital status, disability, religious or political affiliation, age, sexual orientation, medical condition or pregnancy. It is an objective of the State of California to achieve a drug-free workplace. Any applicant for state employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the laws of the State, the rules governing Civil Service, and the special trust placed in public servants.
